

# Team Sign-Up Sheet

The Bible Bowl program is an annual event open to various ages in which people demonstrate their Bible knowledge, to get to know Jesus and the Bible better. This event is confined each year to a specific portion of Scripture. The ultimate purpose of the Bible Bowl, as with all Bible study, is to bring the participants closer to Jesus. While the competitive element may be there, competition is not the objective. There are no losers in the Bible Bowl. Each participant is given an award in accordance to their knowledge on the book of the Bible selected. These awards are only tokens of the far greater prize
