**LONE STAR CAMP**, including cell phones, tablets, kindles, digital cameras. In addition no hand held games, radios, cd players, etc.—camp is not responsible for loss or damage to electronics. Please leave them at home!

Extra money is NOT allowed. (you won't need it!) Camp is not responsible for loss  
Absolutely NO: Knives, hatchets, or BB guns.

### **Special Considerations for first time Camp attendee's**

Avoid bringing anything new or valuable to camp. With many children living in the same cabin for seven days, the possibility of lost or misplaced clothing is very high. Please initial clothing and towels with a permanent marker.

## **Packing list (For Parents or Guardians!)**

Prescription authorization for medications – Filled out on Health [Form](#) and signed by a doctor. Please keep medications in original bottles and bring it with you to [registration](#). No need to bring general over the counter medications (OTC's) – we have them at our Nurses Station!

Signed permission slip if leaving camp with anyone other than a legal guardian or parent.

Make sure all clothing and gear is labeled with your child's name.

Due to the size of our cabins and number of campers, please limit luggage so it can fit under or at the foot of the bed. Thank you!

*Special consideration: We perform lice checks, sores on all campers and counselors during registration. Anyone with nits or eggs or evidence of lice or sores will be sent home for treatment and required to wash all [bedding](#) and clothing. We recommend doing a screening at home before registration, or even a preventative lice treatment to ensure your child is lice free before attending camp. When getting your kids ready to go to camp this summer, tell them not to share...at least not hats, brushes or any other objects that touch the hair!*
