We are the children of the Heavenly Father, and we have no reason to doubt His love. He was willing to come to earth, live and die, then be resurrected to intercede in our behalf. He reminds us, “The person who refuses to love doesn’t know the first thing about God, because God is love so you can’t know Him if you don’t know love.” 1 John 4:8 (MSG)

IRON RULE: "Do unto others BEFORE they do it to me."

SILVER RULE: “Do unto others as they do unto me.”

GOLDEN RULE: "Do unto others as I would have them do unto me."

We speak often about how the world is changing: children disrespectful, people are thoughtless; everyone is greedy; people only want things for themselves. We can make a difference—apply the Golden Rule at your house. The people who leave your house will share God’s love everywhere they go, and people will respond to God’s love with a new attitude. Imagine the difference in your little circle of influence!

Love is not just a warm fuzzy feeling of affection, although it can include that. Love is putting someone else first in your life; taking care of what they need before taking care of your needs. The golden rule is love in action; treating others well, because others are as important as you are. Jesus said that Christians’ love and caring for each other would be how the world identified us.

“Let me give you a new command: Love one another. In the same way I loved you, you love one another. “

John 13:34 (MSG)

Well let’s look at how we mark the Golden Rule Week. We often quote the Scripture: “Here is a simple rule—of-thumb guide for behavior: Ask yourself what you want people to do for you, then grab the initiative and do it for them. Add up God’s Law and Prophets and this is what you get.” Matthew 7:12, MSG.

♦ What would this look like in our homes?
♦ Do you like someone speaking to you kindly
♦ Do you enjoy being appreciated
♦ Do you like hearing “please” and “thank you”

The Golden Rule is founded upon the principle of love. The Source of Love is our God. We realize that within ourselves, we do not have the power to love unconditionally. I John 4:7 (MSG) tells us, “My beloved friends, let us continue to love each other since love comes from God. Everyone who loves is born of God and experiences a relationship with God. “ So simply put, applying the Golden Rule means putting others first!

God has always given His people guidance on how they should treat one another. We tend to be selfish, unless trained otherwise. But God wants us to be considerate of others. He said that we should treat others the way we would like to be treated. How do you like to be treated? With respect, listened to, not interrupted, loved, share things with, treated fairly, honest with, follow through on promises. If we like these things from others, it is only natural that others would like us to treat them the same.
Jesus also said, “Do not worry about tomorrow. Tomorrow will worry about itself.”
